The book's layout is clean and organized, with each page dedicated to one or two words. The Japanese word is prominently displayed, typically in both hiragana and romaji to aid pronunciation, with the English translation provided alongside or beneath the image.

- Japanese Word: Usually written in hiragana for beginner learners, sometimes with kanji if appropriate.
- Romaji: Latin script to guide pronunciation.
- English translation: For immediate understanding.

This structure ensures that children and parents can navigate the content easily, reinforcing both visual recognition and word pronunciation.
