The Birth of a Toy Phenomenon

Shopkins originated in 2014, created by the Australian company Moose Toys. These miniature figures became an instant hit, capturing the imagination of children with their vibrant colors and unique personalities.

Initially, Shopkins launched as a line of 2,000 characters, each with its own name, personality, and rarity level. The toys were accompanied by activity books, digital games, and animated series, which helped propel them into mainstream popularity.

Expansion and Diversification

Over the years, the franchise expanded from basic collectibles to themed series, limited editions, and exclusive releases. The introduction of different series—such as seasonal editions, ultra-rare figures, and special sets—significantly increased the complexity of collecting.

The franchise also diversified into:
