What Are Grade Thresholds?

Grade thresholds are the minimum marks or percentages a student must attain to earn a particular grade in a subject. For the Cambridge IGCSE, grades typically range from A (highest) to G (minimum passing grade), with U indicating ungraded or fail.

In 2014, Cambridge International Examinations (CIE) set specific grade thresholds for each subject, which varied depending on the subject's difficulty, exam difficulty, and overall performance of candidates that year. These thresholds are used for standardization across different exam sessions and help ensure fairness in grading.

Why Are Grade Thresholds Important?

- **Benchmarking Performance:** Students can gauge their performance relative to the required standards.
- **Admission and Qualification:** Many academic programs and institutions refer to these thresholds for admissions.
- **Curriculum Planning:** Teachers and schools can use threshold data to identify areas needing improvement.
- **Historical Analysis:** Comparing past thresholds helps analyze trends in student performance over the years.
